OUTFIT TIPS

Stuck on what to wear? We're here to help! Here are some of our favorite tips and tricks to help you guide your outfit choices!

Choosing what you'll wear for your senior session is important to help you feel confident! We want you to have fun the whole time... and glow!!! Here are some helpful tips to choose what to wear:

BE COMFORTABLE

If you don't like tightly fitted dresses or pieces that fit awkwardly then leave them at home. If you're deciding between clothing items and realize one piece makes you feel self-conscious or uncomfortable, don't bring it to your session. We want you to feel relaxed, at ease, and most importantly—like yourself! Also, at times, we'll may be sitting on the ground, laying down, walking, and doing other things that could be difficult if your clothing is uncomfortable.

OUTSIDE
THE BOX

When choosing outfits for your senior session, try to choose colors that POP and that compliment your hair and skin colors. Primary colors like red, royal blue, and yellow photograph beautifully as well as emerald green, bright purples, pinks, and oranges. Sometimes, color combos that may seem odd in-person end up photographing BEAUTIFULLY on camera. If you know you look good in a certain color: wear it!

ADD LAYERS

Adding layers to your outfits always looks wonderful in portraits! A sweater with a flannel underneath paired with a vest and statement necklace or scarf adds so much dimension to your photos and makes for super fun posing options. Even in the warmer months, you can add these layers and dimension by wearing a tank top with a cute sheer cardigan or by throwing a denim vest over a dress.

DON'T BE AFRAID TO ACCESSORIZE + PLAY WITH TEXTURES

When planning your outfits, don't forget to plan accessories! Stacks of bracelets, long necklaces, statement pieces, scarves, hats, bright shoes, and other add-ons can make an outfit.

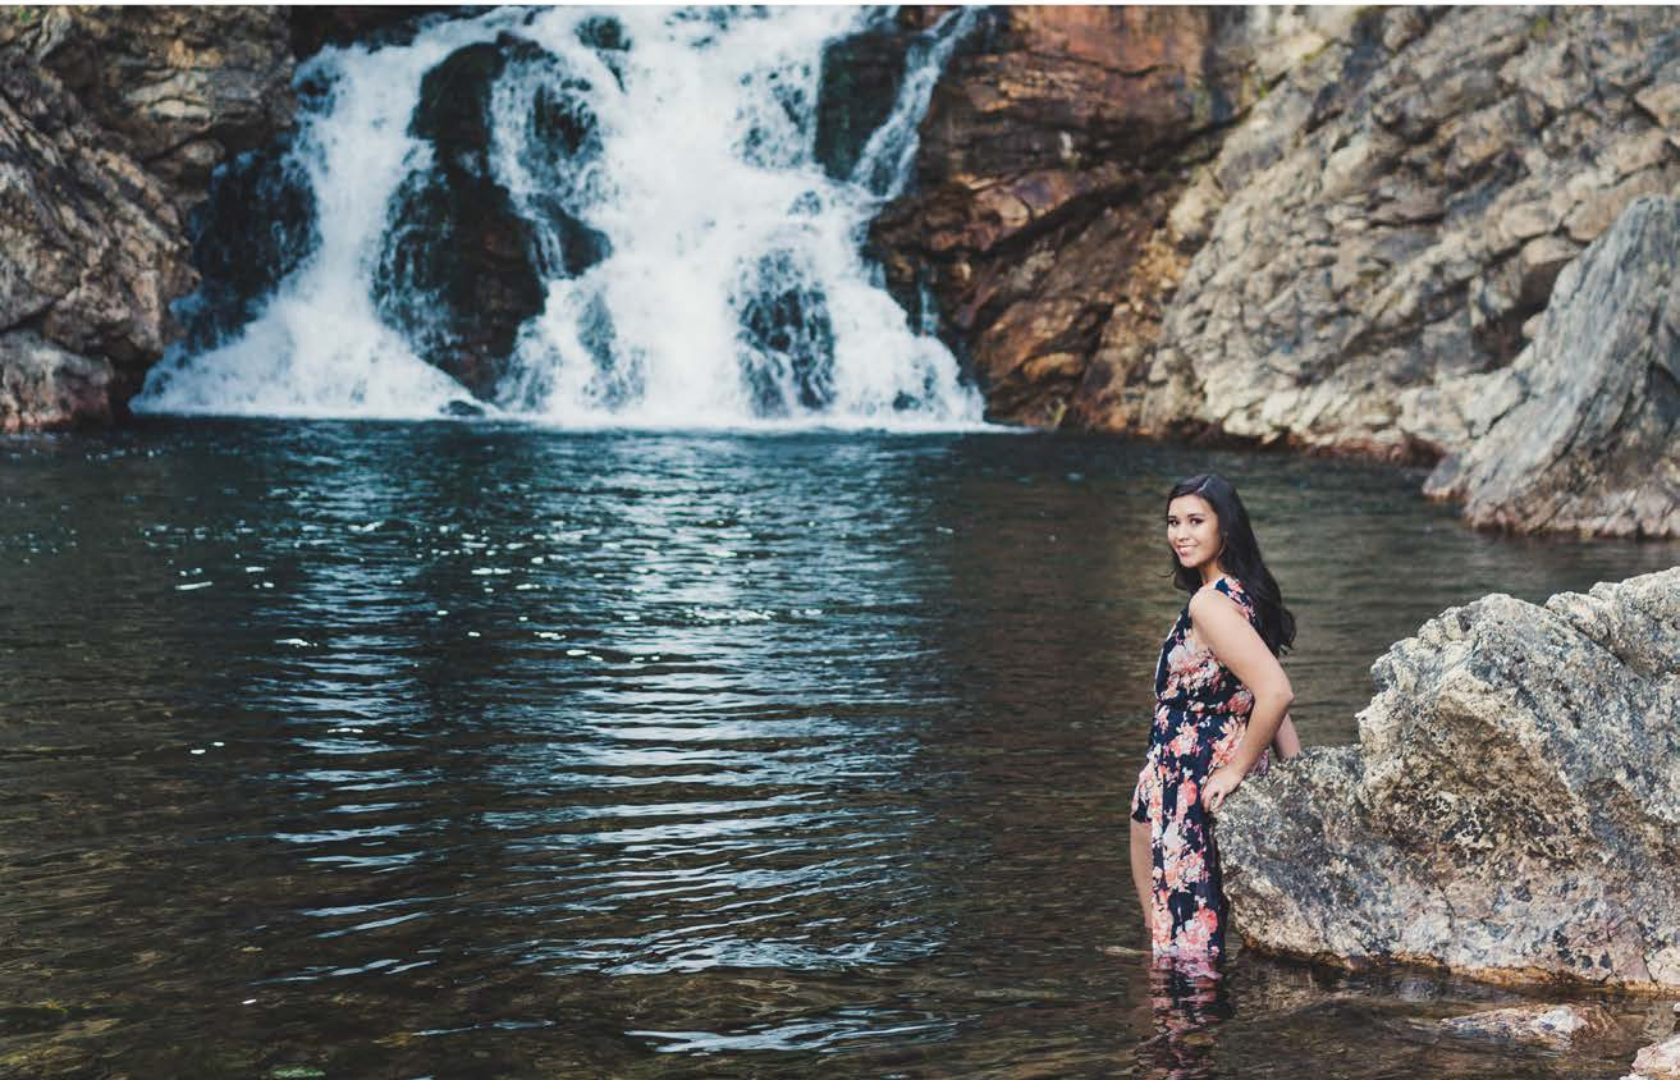

Adding textures like sequins, sparkles, and textured leathers may not be everyday wear, but in portraits they are AWESOME! Adding texture to your outfit makes a big impact and it prevents your photos from looking dull. Most importantly, pick what you love and makes you feel like yourself!

DRESSES ROCK!

Your senior session is the perfect time to bring out the dresses! A long, flowing dress or a girly, cute dress is the perfect way to celebrate your feminine side! A fun maxi dress can be a slam dunk for shoots because they're versatile and look great on all body types. You can add a belt or a statement necklace to almost any dress or strappy sandals for the summer... or a belted fitted cardi and a scarf in the fall.

MIX IT UP

When planning your outfits, make sure that you have a VARIETY of looks! It might be wise to choose from these categories: casual, cozy, dressy, school-related, fun, or edgy. We recommend choosing 2-3 of those categories and picking outfits accordingly. This provides a beautiful array of looks during your senior portrait session and each outfit will look dramatically different!

BE YOURSELF

The real you is amazing and we're gonna capture that. Our goal during your session is to capture your beautiful and fun personality. When deciding what outfits to wear to your session, remember above all else — be yourself! Because you are amazing!
